

Speed to Lead

Dental Clinics & Medspas

AI Receptionist

Every missed call is a missed patient. Our AI receptionist answers calls, replies to messages, qualifies new patients, and books appointments instantly—24/7, so your front desk never misses an opportunity.

✓ **24/7 Instant Response**

Lead Reactivation

Dental Clinics & Medspas

Win Back Lost Patients

Your database is full of patients who never booked or haven't returned. Our AI automatically follows up through SMS, email, or WhatsApp, bringing inactive patients back without increasing your advertising budget.

✓ **Recover More Revenue From Existing Leads**

Appointment Booking

Dental Clinics & Medspas

Fill Your Calendar Automatically

Stop chasing bookings manually. Our AI qualifies leads, answers common questions, and schedules appointments directly into your calendar, reducing no-shows and keeping your schedule full.

✓ **Automated Scheduling & Calendar Sync**

Patient Support

Dental Clinics & Medspas

24/7 Patient Support

Give every patient an instant response. Our AI assistant answers FAQs, explains treatments, shares pricing information, sends directions, and handles inquiries any time of day.

✓ **Instant Answers Around the Clock**

Practice Automation

Dental Clinics & Medspas

Automate Your Front Desk

Replace repetitive administrative work with intelligent workflows that manage inquiries, reminders, follow-ups, forms, and internal tasks—allowing your team to focus on patient care.

✓ **Save Hours Every Week**

Custom AI Solutions

Dental Clinics & Medspas

Built for Your Practice

Need something unique? We design custom AI agents, automations, and software tailored to your clinic's workflow, tools, and growth goals.

✓ **Custom-Built for Your Business**
