

ShipLab North Star Strategy

Mission

Help service businesses grow by building AI systems that capture, qualify, and convert more customers.

Primary Niche (Start)

Dental Clinics (expand later to Med Spas and other service businesses after proven results).

Core Offer

We build AI systems that help businesses never miss a lead and book more appointments.

System 1: AI Receptionist (Flagship)

- Answers calls 24/7
- Books appointments
- Answers FAQs
- Transfers calls
- Captures every lead

System 2: Speed-to-Lead

- Instantly contacts new leads
- Qualifies leads
- Books appointments automatically

System 3: Lead Reactivation

- Re-engages old leads via SMS/email/AI
- Finds interested prospects
- Books appointments from existing CRM

Positioning

ShipLab builds AI Growth Systems for service businesses. We help businesses capture every lead, respond instantly, and convert more customers with AI.
